25X1

Col. Hansen called and stated that he had been able to get [redacted] for one year as a GS-15 (ok'd by Mr. Dulles) to work on the CIA history. [redacted] intimated that he might like to stay on a permanent basis but Col. Hansen made no commitment.

Discussed with Col. Hansen the possibility of his getting a man on a full-time basis to write up outstandingly interesting operational episodes. Col. Hansen feels that this would be an interesting addition to our history and would also be very useful for the Director in briefings if asked for specific instances in which we spent large sums of money. I think he may have a good idea.
